

On Thursday 23.03.2017 The S4 students of the “European School in the Community Club” went to the WESER5 Diakoniezentrum in Frankfurt in order to cook food for homeless people. They prepared a potato soup with beef sausages and bread which they served to over 80 homeless people. The students also baked cakes which they gave out after the lunch. Everyone were impress with our pupils and the event was a great success. This yearly valuable experience for our students was accompanied by Mrs Stefanova and Mrs Humphries.
