**Choice of subjects for years 4 and 5  
Information Evening on 15<sup>th</sup> January 2019 at 19.00 hrs**

Dear Parents,

In order to help your children and you to make the best possible choices for the years 4 & 5 we would like to invite you to an **'Information Evening' about the subject options for years 4 & 5**. The evening will be held on **15.01.2019 at 19.00 hrs in the Aula** and will start with a general presentation followed by a question and answer session with the respective careers teachers.

Attached to this letter you will find a declaration form, in which you are expected to indicate the preferred subject combinations. This form must be completed, signed and returned to the class teachers **by 28.01.2019**.

On the basis of the choices made the school will then be in a position to finalise a timetable for years 4 and 5. In case of problems with the options made, or if the school is unable to run a certain course for reasons such as, for example, the minimum number of students required, we will contact the students concerned.

Kind Regards,

Minna Laatu  
Head of the Secondary School
