21 January 2022

FP

Dear pupils,  
dear teachers and staff,  
dear parents,

After two and a half weeks in the calendar year 2022, in the following please find a brief overview of the current situation at the school. As assumed, the number of infections at the school increased after the Christmas holidays, but the situation is well under control thanks to the professional and tireless efforts of the school staff.

We try to adapt to the constantly changing requirements, to keep you up to date via the FAQs on our website and to optimise processes so that you as parents and we as a school can act efficiently. We have therefore set up an additional sub-page "Covid positive registration" on the website. When you report a positive case please complete the form you will find there and send it to one of the following e-mail lists: [List-frf-covid-positive-nursery-primary@eursc.eu](mailto:List-frf-covid-positive-nursery-primary@eursc.eu) or [List-frf-covid-positive-secondary@eursc.eu](mailto:List-frf-covid-positive-secondary@eursc.eu). All staff members involved thus immediately receive the necessary information, can react without delay and implement the necessary measures. Please find the form attached and the link to the website: [Covid positive registration](#).

Pre-Baccalaureate examinations are currently taking place at the school and we wish our students every success. We expect to be able to hold a "normal" examination session this year and a final decision will be made in the coming months.

During these weeks, the pilot phase of our new parking concept is running. I would like to thank the parents for their great acceptance. Car traffic in the car park is currently well organised, helping to increase the safety of our students and staff. The decision on the final implementation will follow soon.

How the general situation will develop in the coming weeks is difficult to predict at the moment. We will continue to keep you informed of any changing hygiene and quarantine rules via our website.

Thank you all for your prudent handling of the pandemic, the mutual understanding and the good cooperation.

Kind regards,

Ferdinand Patscheider
