APPLICATION

Rijeka – Croatia

- 3rd biggest croatian city (Zagreb, Split)
- Near slovenia, austria and italy → skiing
- Language: croatian (italian, german)
- 108 000 inhabitants
- Don't need a car, no trains, metro → all by foot
- Kuna – no euros → 1 euro = 7,5kn (way more cheaper lifestyle)

The background image shows a courtyard with yellow buildings and palm trees. A large semi-transparent white circle is overlaid on the left side of the image, containing the title and list. The title 'Medical faculty' is in a large, black, sans-serif font. Below it is a horizontal line. The list consists of several bullet points, with the first two being 'In Rijeka' and 'Founded in 1955'. The third bullet point is 'Divided into several hospitals'. The fourth bullet point is 'Lot of student organizations:', followed by a sub-list with three items: 'Student union', 'FOSS, CroMSIC, EMSA', and 'University sport teams'. The fifth bullet point is 'Very international: germans, italians'. The sixth bullet point is 'Approbation internationally recognized'.

Social environment
Make your own opinion!

Pros and cons

Pros	Cons
Don't need 8/10 european bac (1,0)	Exam for application (biology, chemistry, physics)
Cheaper life costs → coffee 1,50 euro ;)	Don't learn, you always drink coffee
Different cultures and people	Have to speak english
Warm weather	Lot of rain in winter
Live near the ocean	Great view during learning or go to the beach
Live alone in another country / experience	Have to use your brain

Expectations at end of studies

Titel MD, medical doctor

Erasmus programs : Japan, Sri lanka (for best graders)

For German doctor → have to write german “doctorarbeit”

Easily become a job → missing doctors

Well prepared theoretically

You won't be done ... ;) → Facharzt
