

Name: _____

Class: _____

School trip from _____ to _____

Place to be visited: _____

Nicotine, Alcohol and Drugs

A school trip is a **school-organised** event. Therefore, it is prohibited for pupils to smoke, drink alcohol or consume drugs during the trip even if the pupils are already 16 years or older.

If breaking these rules has a negative effect on the class trip, the consequences may include exclusion from the remainder of the trip. In this case parents will be informed immediately and the pupil will either be sent back to Frankfurt at the parents expense or the parents will have to personally collect the pupil from the venue.

Should a pupil be sent back to Frankfurt the supervision duty of the teacher ends at the local railway station or airport.

Should an accompanying teacher be necessary for the journey the extra costs will have to be covered by the parents.

Acceptance of Conditions

With my signature I certify that I will abide by these rules and regulations. I understand that the responsible teacher can send me home at my own or my parents' expense.

Place, Date

Signature of pupil

Confirmation by the legal guardian :
