.....  
.....

Details of any medication which the pupil must take with him/her as a necessity on the trip:

.....

### Consent

All participants of the school trip accept the following conditions, which are an essential factor in a successful class trip.

1. This study trip is a school event, the rules and regulations of the school are in force. The students who participate (also those of full legal age) are under the teacher's supervision and direction.
2. Each participant contributes to the success of the school trip with his/her good conduct and responsible behaviour.
3. All participants are expected to take an active part in the educational preparatory tasks of the trip. Afterwards all sections will be asked to produce a contribution to the school newspaper.
4. Each participant is allowed to do other activities independently, but only in small groups (three students minimum) and after personal arrangement with the teachers. In this way students are forbidden to use public transport.
5. Each participant respects the agreed meeting points and times.
6. While the accompanying teachers undertake to give every reasonable care in their power, the school and the accompanying teachers cannot be held responsible for individual losses of property, nor for personal injuries suffered by the pupils as a result of their own actions.

7. The educational trip is a school event where the consumption of alcohol, cigarettes or other drugs is forbidden. To this end teachers have the right to search students' bags and rooms at any time.

8. Should the opportunity for a bike riding activity present itself while on the trip, your signature herewith confirms that students can ride a bike, know the rules of the road and will follow these rules while part of a cycling tour. Students are also obliged to stay with the group at all times.
