Parking Concept

Dear teachers and staff,
dear Parents,

Due to the current situation, we would like to ask you to observe the following rules in the parking lot:

- Only drive at walking speed in the school parking lot.
- The zebra crossing (*Zebrastreifen*) may only be crossed with vehicles if there are no people on it.
- The instructions of our security must be followed.

Last week, disregard for these rules almost led to two accidents caused by reckless parents. Fortunately, no children were injured.

As you will have seen from previous letters, the following applies:

- **Parents of Nursery School children** may only enter the car park through Entrance/Exit A and park there briefly to accompany their son/daughter to school at Gate M. Please leave the car park as soon as possible to allow other parents and school staff to park their vehicles as well. Entry is only possible with a **pink** vignette.
- **Parents of P1-P2 pupils** may also only enter the car park through Entrance/Exit A and let their children either walk independently to the classroom or park there briefly to accompany their son/daughter to Gate M. Please leave the car park as soon as possible to allow other parents and school staff to park their vehicles as well. Entry is only possible with a **pink** vignette.
- **Parents of P3 pupils** may also only enter the car park through Entrance/Exit A and let their children walk independently to the school building / classroom through Gate A. Please leave the car park as soon as possible to allow other parents and school staff to park their vehicles as well. Entry is only possible with a **pink** vignette.
- Stopping in the bus lane designated for the school bus and at the school bus stop is not permitted.
- For **parents of P4 and P5 pupils**, parking is not possible on the school grounds, please park outside and accompany your son/daughter walking to the school grounds.
- For **parents of Secondary school pupils**, parking on the school grounds is not possible. Pupils come to school independently.
- **Staff** (teachers and administrative staff) can enter and leave through Entrance/Exit A or C and park in the car park with an **orange** parking vignette.

- Security staff will check whether an entry permit exists (orange vignettes for teachers and administrative staff; pink vignettes for parents of children up to P3).

Please respect local residents and ensure that no entrances or exits of our neighbours and no fire brigade entrances are blocked. Please keep the farewell and welcome ceremonies as short as possible and also give other parents the opportunity of getting their children out of the car or into the car quickly.

Thank you for your understanding and support.

Kind regards,

Anastazija Avsec
Director
