

Strategic guideline on the well-being of ESF students

Introduction and aim of the strategic guideline for the well-being of pupils at ESF

These strategic guidelines for the well-being of pupils at ESF cover all areas of prevention and intervention work and are based on the following documents:

- Child Protection Policy
- Anti-Bullying Policy
- Good Behaviour Policy
- Mental Health Policy

The ESF aims to provide an education that presents pupils with opportunities to explore and develop:

- their own values and belief
- high standard of behavior
- a positive, caring attitude towards other people
- an understanding of their social and cultural traditions
- an appreciation of diversity and richness of cultures

Our aim is that all people at school:

- feel safe
- can work in peaceful and productive environment
- are sure to receive the best possible Support
- respect and treat others in the same way as they want to be treated
- identify and confront inappropriate or threatening behavior, abuse and intimidation
- will not stand aside or look away when encountering inappropriate behavior
- react to situations in an appropriate way
- will stand together as part of the community
- act as responsible members of the school community
- act as an example for others
- are acknowledged for making positive contributions to the school community.
