

# COVID-19 - When are you allowed to come to school?

1. Is anyone in your household being tested COVID-19 positive?
2. Has anyone in your household been exposed to COVID-19?
3. Have you travelled to risk areas in the last 14 days?

Are you unwell with

1. Flu-like symptoms
2. Sore throat
3. Persistent cough
4. Respiratory problems
5. Loss of taste
6. Diarrhea

Do you have fever?

**Stay at home, inform the school /nurses , call your doctor.**

**If tested, stay at home until result is received. If positive stay at home - if negative without symptoms allowed to come back \***

**Have you been fever-free (without medication) for 24 hours?**

**Go straight to the nurses for a health check if you have been off sick and hand over parents' confirmation that you are healthy.**

\* If a person tested positive is living in the same household, quarantine rules must be followed
